

Natural Gas in the Chinese Energy System: Beijing, Shanghai, and Guangdong Case Studies

Tsinghua University, Beijing
November 4, 2005

Meeting Agenda

09:00 – 09:15 Introduction for the Study: David Victor, Stanford University

Presentation from each team on Project Progress and Model Structure Design

09:15 – 10:00 Guangdong Team

10:00 – 10:45 Beijing Team

10:45 – 11:00 Break

11:00 – 11:45 Shanghai Team

11:45 – 12:15 Discussion

12:15 – 14:00 Lunch

Discussion (based on Stanford's discussion paper)

14:00 – 14:45 Continued Discussion on model structure, key assumptions etc.

14:45 – 15:30 Discussion of Scenarios

15:30 – 15:45 Break

15:45 – 17:00 Roundtable Discussion
